

# Cinco<sup>®</sup> Brick

ARTISAN MASONRY STONE VENEERS<sup>®</sup>

ECHELON<sup>™</sup>

Quality masonry products from Oldcastle<sup>®</sup>

Cinco<sup>®</sup> brick was created to resemble stone, with its wide array of matched colors and lengths, but to install like brick creating a desirable visual at an affordable price. Its unique height makes the installation similar to brick both in pattern and costs, while its choice of lengths and textures closely resembles stone.

## Features & Benefits

- Installs like brick so costs are minimized
- Harmonizes perfectly with other masonry veneers including natural stone and brick
- Multiple lengths, texture and colors for design flexibility
- Integral water admixture repels water and resists mold
- Integral color throughout unit

## Colors & Texture

Chesapeake Tan

Fawn Blend

Hampton Bay Blend

Note: All color samples are representative only. For accurate color selection, ask your sales representative for samples.
