

Why Echelon™ Masonry?

Echelon™ is the new consolidated brand for the masonry products and services of Oldcastle® Architectural. For generations, Oldcastle has been North America's leading manufacturer of building products and materials, establishing ourself as an industry leader and dedicated partner who successfully completes projects from beginning to end. Now Oldcastle embarks on a new journey to consolidate our many masonry products, services and expertise into the single brand of Echelon™, providing the masonry industry with a singular go-to source and reliable partner.

1

National Presence With over 150 locations and a company culture characterized by a commitment to customer satisfaction, Echelon™ Masonry adheres to a level of service and consistency that no other supplier can match. Our combination of local market presence and national capabilities allows us to meet and exceed the demanding needs of an ever-changing industry.

2

Innovation Echelon™ Masonry is dedicated to meeting the ever-changing needs of the construction industry by investing millions of dollars annually in the research and development of new and innovative products through our industry leading R&D team and facility.

3

Local Service Echelon™ has a national presence but we strive to serve our customers locally and have more than 150 locations in order to provide timely, reliable service and products.

Echelon™ Masonry Products

TRENWYTH® ARCHITECTURAL MASONRY

Trenwyth® architectural masonry block provides ultimate design flexibility with a wide range of colors, shapes, sizes & finishes.

ARTISAN MASONRY STONE VENEERS®

Artisan veneers provide unmatched beauty paired with design freedom, ease of installation and durability that will last the life of your project.

QUIK-BRIK® CMU While traditional brick veneers require structural reinforcement, Quik-Brik® can stand alone. Offering one-step installation, along with the rich look of brick in a variety of colors and shades. Physical performance, usability, and cost effectiveness have earned Quik-Brik® its unrivaled reputation for lasting value among architects and contractors alike.

AMERIMIX® BAGGED GOODS Amerimix® manufactures and delivers factory blended mortar, grout, stucco and cement mixes that can be used in residential, commercial and industrial construction. All Amerimix® products are preblended to exact specifications to ensure consistency and quality in every bag.

PERFORMANCE UPGRADE OPTIONS

Enhance the performance of your next project with our selection of performance upgrade options. From perfecting aesthetics to increased energy efficiency and noise reduction, explore our options to take your project to the next level, including high performance wall systems such as Enduramax™ and InsulTech™ CMS.
