

Westpeak™ Stone

ARTISAN MASONRY STONE THIN VENEER

ECHELON™

Quality masonry products from Oldcastle®

Westpeak is another texture in the Artisan Masonry Stone Veneers® line to provide additional options to enhance your project. Boasting a pattern that provides a horizontal course at 2 ½" and 3" heights, this dry stack product is designed to fit with tight dimensional tolerance which reduces installation time.

Features & Benefits

- Integrated color throughout unit
- Used for non-load bearing applications, doesn't require a footing
- Ideal for interior and exterior applications
- Tight dimensional tolerance
- Fast installation

Westpeak™ Stone Thin Veneer

Add the rich look of natural stone and increase the construction efficiency of your next project with Westpeak™ Stone Thin Veneer. Whether used as an accent or to clad the entire home, Westpeak provides versatility to both modern and traditional design. Perfect for both exterior and interior applications.
