

March 27, 2019

Masonry Instructors,

Adams an Oldcastle Company is proud to host the 38<sup>th</sup> Annual Butch Hardy TOP TROWEL and LINEBURNER CONTEST to be **held at our new location in Goldsboro on Friday, May 3, 2019**. Interest has been amazing and spots will be limited. Please get your reservations in quickly. If you have any questions please call Nancy St. John (919) 735 -2998.

Registration will start at 7:30 and contest briefings will start at 8:45 am. The Masonry One contest will start at 9:00 am. Lunch will be served after the contest is over.

Projects, award list and schedule of events are attached.

**New location contest site:**                      **Adams an Oldcastle company**  
**2084 Hwy 70 West**  
**Goldsboro, NC 27530**  
**(919) 734-1601**

The Masonry One contest is limited to 4 students per school. This contest is for students enrolled in Masonry One only. We are allotting 40 spaces for the Masonry One contest. These spaces will be allocated on a “first come, first serve basis”. Other students can be on stand-by pending availability of open spots after registration is completed.

Each school can bring any number of students for the Masonry Two contest. Each school is allowed one, four-member team to compete for the team trophy. The students for this team must be designated at registration. Since contest space is limited, please adhere to the registration dead line.

One school representative that has participated in the Masonry Two contest can also register for the Lineburner contest. Student names must be pre-registered to participate.

**Dead-line to register is Friday, April 19<sup>th</sup>. All entries must be in and any additions are subject to availability. Due to registration and marketing materials, contestant names cannot be changed.**

To prepare for lunch, we need to know how many participants you plan to bring. We need to know the participants for Masonry One, Masonry Two and Lineburner contests; other non-participating students and any faculty/administrative staff.

Contest projects will be judged by the Skills USA masonry judging criteria. Judging will be done by members of the NC Masonry Contractors Association and other mason contractors.
