

**Oldcastle APG**  
A CRH COMPANY

For Immediate Release:  
March 19, 2020

Gary Hensley  
Vice President, Sales  
Oldcastle APG - Adams

Goldsboro, NC - COVID-19 has made an unprecedented impact on each of our lives in many ways. Over the next few weeks we will navigate through this situation with the hopes that our daily routine returns to normal as soon as possible.

In response to the outbreak we have limited our gatherings to small groups of people and eliminated all unnecessary travel. Right now, our top priority is the safety of our customers, partners, employees, and of course our students. We continue to operate our plants, stores, and distribution locations with safety as the top priority.

We are uncertain what impact COVID-19 will have on future operation and when life will return to normal. We have listened to input from our customers and partners. Schools are closed indefinitely and movement of personnel is extremely limited. In response we have made the difficult decision to cancel the 39<sup>th</sup> annual H.A. Butch Hardy Top Trowel and Line Burner Contest. This contest is a long-standing tradition for our company, and it is a day reserved to celebrate the hard work and accomplishment of our future masons. Our team wishes each of you safety and comfort in the weeks ahead. We look forward to spring 2021 when we pick this event back up again!
