

Aria® Stone

ARTISAN MASONRY STONE VENEERS®

ECHELON®

The simplicity and integrity of concrete takes shape through the fine lines and smooth surfaces of Aria® Stone. Its avant-garde and minimalist design offers a timeless and universal touch to any architectural project. Aria Stone can be used to create a modern canvas with linear or modular patterns.

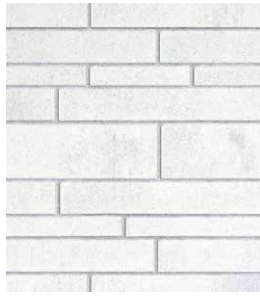

Features & Benefits

- Fine lines and smooth surfaces
- Allows for modular and linear installations
- Modular dimensions for reduced waste and easier installations
- Fully finished corners
