MONDRIAN® STONE

FULL BED VENEER

Mondrian Stone brings bold, modern scale to masonry with large-format veneer designed for contemporary architecture. Smooth or chiseled finishes create distinct design expressions, while modular and linear layouts give designers flexibility across façades, accents and architectural features.

ECHELON® MASONRY

FEATURES & BENEFITS

- Full bed manufactured stone veneer in a contemporary large-format size
- Available in smooth face and chisel face finish options
- Can be installed in both linear and modular patterns or used as an accent with other materials
- Finished ends allow easy installation of corners
- Available as a thin veneer unit, upon request
- Modular dimensions reduce required cuts and minimize waste

AMERIMIX®

For dependable performance and efficient installation, use Amerimix® pre-blended mortars and grouts.
