HARVARD-BRIK®

ARCHITECTURAL CMU

Harvard-Brik combines the faster installation, consistent tolerances and lasting durability of Quik-Brik® with a distinctive blended color palette. Integral color provides rich, lasting color throughout the unit, helping maintain its appearance over time while giving architectural designs a classic brick aesthetic with added character.

ECHELON® MASONRY

FEATURES & BENEFITS

- Architectural CMU with a finish replicating the look of clay brick
- Available in a structural unit which increases the installation speed compared to traditional brick
- Similar to Quik-Brik but with a more blended color appearance
- Contains an integral water repellant for excellent moisture mitigation
- Loadbearing single-wythe construction eliminates the need for a separate brick veneer system
- Can be insulated using same insulation materials used in standard CMU wall construction
- Units offer fade-resistant composition, are integrally colored, and are finished on all sides

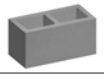

AMERIMIX®

For dependable performance and efficient installation, use Amerimix® pre-blended mortars and grouts.

TECHNICAL INFORMATION

ASTM C90 - Specification for loadbearing concrete masonry units.

SHAPES & SIZES

	4D x 4H x 16L
	4D x 8H x 16L
	8D x 4H x 16L
	8D x 8H x 16L
	12D x 4H x 16L
