KENSLEY™ STONE

THIN VENEER

Kensley Stone Thin Veneer features a traditional ashlar pattern, a chiseled finish, and a 3/8” mortar joint. These manufactured stone veneers are designed to reflect the timeless aesthetics of natural chiseled limestone, offering an upscale look while minimizing install time and cost.

ECHELON® MASONRY

FEATURES & BENEFITS

- Manufactured thin veneer simulating the look of chiseled stone
- Installation with a ⅜" mortar joint provides a traditional Ashlar pattern
- Integral color and water-repellent admixture provide consistent through-body color and enhanced moisture mitigation
- Ideal for interior and exterior applications
- Manufactured to a tight dimensional tolerance compared to natural stone
- Manufactured regionally at several Oldcastle facilities.

AMERIMIX®

For dependable performance and efficient installation, use Amerimix® pre-blended mortars and grouts.

TECHNICAL INFORMATION

ASTM C1877 - Specification for dry-cast concrete masonry units used as interior and exterior adhered veneer.
