SMOOTH FACE

ARCHITECTURAL CMU

Smooth Face concrete blocks exhibit a natural finish without showing the aggregate. These prefinished architectural concrete blocks are available in gray, as well as numerous integrally colored hues. If desired, units can also include pre-consumer recycled content and integral water repellent admixture to repel moisture and resist mold.

ECHELON® MASONRY

FEATURES & BENEFITS

- Standard architectural CMU with a natural smooth finish
- Available in both gray block and integrally colored units
- Supports interior, exterior and structural masonry applications
- Available in wide variety of both structural CMUs and veneer shapes and sizes
- Water-repellent admixtures available for enhanced moisture management
- Can include pre-consumer recycled content

AMERIMIX®

For dependable performance and efficient installation, use Amerimix® pre-blended mortars and grouts.
