TRENDSTONE®

ARCHITECTURAL CMU

Trendstone ground face CMUs are pre-finished and integrally colored, with one or more faces ground to reveal the varied color and character of the natural aggregates. A clear satin acrylic finish enhances the exposed aggregate while providing added moisture resistance and an easy-to-clean surface. Available in a wide range of colors, Trendstone offers versatile options for coordinated or contrasting masonry designs.

ECHELON® MASONRY

FEATURES & BENEFITS

- Architectural ground face masonry with exposed natural aggregates
