WATERFORD STONE

FULL BED VENEER

Waterford Stone masonry veneers evoke the natural, time-honored look of hand-cut stone with antiqued edges, a dimensional face, authentic color blends, and water repellant integrated throughout each unit.

ECHELON® MASONRY

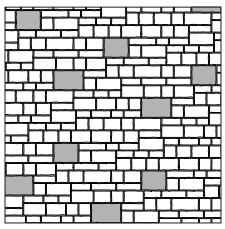

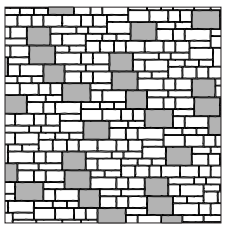

FEATURES & BENEFITS

- Hand-chiseled texture reminiscent of natural stone
- Integrated color throughout the unit
- Modular format allows for less waste on jobsites compared to natural stone
- All units have finished ends - no corner units needed
- Large units palletized separately for design versatility
- Manufactured regionally at several Oldcastle facilities

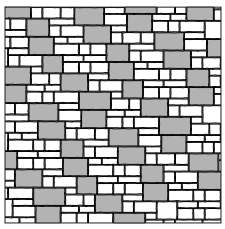

LAYING PATTERNS

10% Large Stone

25% Large Stone

50% Large Stone

AMERIMIX®

For dependable performance and efficient installation, use Amerimix® pre-blended mortars and grouts.

TECHNICAL INFORMATION

ASTM C1634 - Specification for solid dry-cast, concrete facing units.

SHAPES & SIZES

Depths	Approximately 3½"
Heights	4, 7 & 11½"
Lengths	Varying from 7" to 20½"

*Stones of 4" and 7" height are shipped on the same pallet, and the 11½" height is shipped on a corresponding pallet. Stone face dimensions are nominal based on a mortar joint width of ½".

Please reach out to your sales representative for a complete list of available shapes and sizes.
